DomizilPlus reserves the right to make subsequent amendments to the Scope of Service Packages (SSP) at any time. The Customer will be informed about the changes in an appropriate manner.

The current SSP, which constitutes an integral part of the contract, can be consulted at [www.domizilplus.ch/gtc](http://www.domizilplus.ch/gtc). In particular cases, DomizilPlus can provide the Customer with a physical version of the SSP if requested. The Customer acknowledges that paper versions are only copies of the current and legally binding SSP published via electronic media and that paper versions of the SSP are legally binding only if they correspond fully to the current or, in some cases, to previous electronic version.
